# EVENT FAQs

---

## VENUE CAPACITY

We have a maximum capacity of 100 people. Our seating is a mix of high-top and low seating which can comfortably seat ~72-90 people.

## EVENT SETUP & TEARDOWN

Guests are welcome to arrive 1 hour before their event booking to set up. We ask that decorations remain in your reserved area, and we do not permit confetti in the brewery. Last call will be done at 11:00pm and all catering, rentals and decorations must be removed by midnight. (You are welcome to extend your event by 1 hour for an additional \$250).

## FOOD / CATERING

We do not have a kitchen on-site; however, you are more than welcome to order food to the brewery, or partner with a local caterer or food truck. Please make sure you have everything you need in terms of cutlery, napkins, dinnerware and serving utensils for your event.

## DRINK OPTIONS

For all events, our regular Clifford Brewing menu is available including our non-alcoholic options. If you require ice, please purchase your own and bring it with you to the brewery. If you have any special requests, please ask us upon booking. Please note: we do not provide any liquor service at the brewery.

## MUSIC / AV SETUP

For PRIVATE BOOKINGS ONLY: Guests are welcome to provide us with a Spotify Playlist which we can connect to our speaker system.

We do have a small stage onsite which can be used for a DJ, band, or speeches during private venue bookings. We are happy to setup a microphone for your event. Any addition music or sound setup such as live music will require an additional \$250 fee.

## MINIMUM SPEND REQUIREMENTS

Minimum spend requirements must be met through purchases at the bar during your event. With this, I do also like to note that Smart Serve will be enforced as the safety of our guests is our top priority.

## SERVICE GRATUITY

There is a 20% auto-gratuity for our service team based on your minimum spend or bar tab amount. If you feel like we “crushed it” and you want to add on a little more, we leave this up to your discretion.

## ONSITE PARKING

There is plenty of on-site private parking available at the brewery. Please note, if you leave your car overnight, Clifford Brewing will not be responsible for loss, damage, or theft of your vehicle.

## CANCELLATION POLICY

For any event cancellations, we ask that you provide us with at least two week’s notice to receive a full refund of your deposit. We will not provide any refunds of the deposit if the cancellation notice is less than two weeks from the event date.
